

# Peripatos – Terms and Conditions

The following privacy guidelines govern the handling of data collected and processed on the website of Új Praxis Ltd, 1014, Budapest, Úri street 16 (hereinafter: "Peripatos"). Personal information will only be collected for technical purposes. On no account collected data will be sold to third parties. By using our website you agree with the processing and disclosure of personal data to the extent depicted below.

## 1. Users

The Peripatos application and website may only be used by adults. Minors aged 13-18 may use the Peripatos website with the explicit consent of their legal representatives. Otherwise Peripatos unknowingly collects data of children underage.

**Important:** If you are underage, you must not use the Peripatos application and website. Please do not send personal data to Peripatos, such as your e-mail address, your name and/or contact information. Contacting Peripatos is permitted through your parents or your legal representative only.

## 2. Collected data

In its server log files, Peripatos collects and saves data, which your browser or mobile device transmits to us automatically. In particular:

- Type and version of browser
- Operating System
- Referrer URL
- Your IP address
- Retrieved files
- Quantity of sent data
- Date and Time of server request
  
- System information (mobile devices)
- GPS location (mobile devices)

Peripatos cannot relate this data to a certain person. There will be no merging of this data with other data sources. The data will be analysed for statistical purposes and will be deleted afterwards.

Peripatos does not provide access for third parties to the collected data.

## 3. Personal data of members

1. If you register as a member on the Peripatos website or application, additional data will be requested, such as name, address, company name, institution name, e-mail address, nationality. In addition to that, Peripatos collects and saves data, such as up- and downloads on the Peripatos website or application, changes in profile data, changes in uploaded content and feedback activities.
2. Some of the provided data (such as username, name, photo, profile description etc.) as well as uploaded content and educational materials (including all audio data, texts, images and other uploaded content) are public to all users of the application and website. At any time,

however, you may withdraw the publication of educational materials. Your e-mail address will in no case be published.

3. Peripatos reserves the right to use data collected through the registration on the website for prosecution of copyright infringements or attempted frauds. Data concerning copyright infringements or attempted frauds are possibly collected and archived at Peripatos. Furthermore, Peripatos is entitled to process data, even if the membership is ended if this is necessary to carry out our services.

#### **4. Utilisation of personal data**

1. Peripatos collects and utilises your personal data to the possible extent to enable you to use our platform or to bill. This includes characteristics of your identification and data concerning the beginning and end of the usage of our platform.
2. In particular, Peripatos uses personal data to
  - verify your identity for security reasons,
  - provide you with a Peripatos account,
  - enable transactions,
  - provide you with customer services,
  - provide you with information and service material,
  - assess up- and downloads and changes in the profile,
  - conclude payments,
  - provide you with information concerning activities and new products of services,
  - provide interactive features such as blogs or the feedback system.
3. Peripatos is entitled to use your anonymised data to retain statistical data concerning the traffic on the Peripatos application and website. Furthermore, Peripatos is entitled to use your data to support you solving possible technical difficulties of problems associated with the use of the Peripatos application and website.
4. For purposes of marketing, market research and for the adequate design of our platform, Peripatos may create usage profiles using pseudonyms. You may object to such use of your data. We are not allowed to merge usage profiles with personal data.

#### **5. Cookies**

1. In order to widen the functional extent of our platform and to make the usage more comfortable, we use "cookies", that is to say textfiles which contain personal information and particular other information that are saved on your computer to enable you to analyse the usage of websites. With the help of these cookies it is possible to save data on your computer when using our website. Peripatos also saves personal information about you on our computers. However, these are used solely in the context of operating the website and are kept secret, unless legal regulations require disclosure.
2. It might occur that service providers of third companies or partners use cookies on our website which we cannot be held accountable for and which we cannot influence. The privacy policy solely concerns cookies that are used by Peripatos.
3. You may prevent the saving of cookies on your computer by altering your browser settings accordingly. This might, however, limit the functionality of our platform significantly.

## **6. Payment**

Peripatos provides to opportunity to the user to buy additional contents and educational materials. For these contents and materials the user shall pay Peripatos a fee, via Credit-Card, PayPal or any other mean which Peripatos may deem adequate.

## **7. Third parties**

1. Our website may contain links to third-party websites. By clicking these links, you leave the Peripatos website. We recommend that you diligently read the privacy policy of any website you visit.
2. Peripatos is not liable for the content of linked websites and the security of your personal data when using linked websites. Other websites may have different and own regulations concerning the handling of personal data. You might be asked to provide name, address, e-mail address, IP address, browser settings or credit card number. The privacy policy of Peripatos does not regulate the collection, the passing on or the handling of personal data by third parties.
3. Under certain circumstances, Peripatos may require the services of third companies to offer certain services, e.g. a newsletter. For this purpose it is possible that a small amount of data must be transferred to these third companies. Data will only be transferred if the companies commit themselves to handling data confidentially and in accordance with privacy regulations.

## **8. Notification settings**

1. You may see and alter (most of) the information that you submitted when registering on the Peripatos website at any time by browsing to "my account". If you subscribed to our newsletter or other service information when you registered, Peripatos is entitled to send you newsletters, special offers, notifications and further advertising information. If you did not subscribe or if you unsubscribed, Peripatos is not entitled to send you such messages and e-mails. Nevertheless, Peripatos is entitled to send you e-mails and messages to inform you about important changes. That includes messages and e-mails regarding changed service areas or in particular, messages and e-mails regarding changed guidelines and messages and e-mails regarding technical issues or the non-availability of the Peripatos website.
2. Other registered users of the Peripatos website can send you messages using the profile page, which will be forwarded to your e-mail account. Your e-mail address will not be disclosed.
3. In any case and at any time, Peripatos is entitled to send messages, e-mails and notifications which are related to your user account, i. e. in particular registration-notifications, warning notices and admonitions. To prevent such messages, you have to close your user account.

## **9. Duty of disclosure**

Peripatos is obligated to disclose personal data to public authorities or for purposes of criminal prosecution, protection against threats, intelligence service, military counter-intelligence service or for the enforcement of intellectual property rights. If this is the case, Peripatos reserves the right to disclose the requested data according to legal provisions including but not limited to important data requested by court decision, detention order or for use in litigation or prosecution.

## **10. Alteration of this privacy policy**

Peripatos reserves the right to alter or expand this privacy policy in own discretion. To make sure that this is the latest version of the privacy policy, please check the date at the bottom of this document. If significant parts of Peripatos are sold or transferred to another company/corporation etc., you will be informed by Peripatos. Peripatos is entitled to give the new owner access to personal data.

## **11. Liability in dispute**

1. You accept that neither Peripatos nor its executives, employees, owners, shareholders, representatives, licensors and (sub-)licensees (not identical) are liable in any respect for any direct, indirect or coincidental damages or consequential damages concerning your personal data which are the result of the the usage of the website, even if the parties were warned that such damage could occur. The regulations of the Peripatos privacy policy are binding and are to be regarded as a part of the Peripatos guidelines.
2. Peripatos does not assume any liability for larceny, loss, alteration or abusive use of personal and other data, including but not limited to data and information which are submitted to third parties including cases in which the Peripatos privacy policy is not respected by the third parties and potential resulting damages.

## **12. Access right**

As the user of our services, you are entitled at any time to inquire disclosure of data saved regarding your person or your pseudonym including source, recipient and purpose of the storing. At your discretion, this disclosure can also be issued electronically.

## **13. Further questions?**

We are happy to answer further questions regarding the privacy policy. Please contact us: [ikollai@gmail.com](mailto:ikollai@gmail.com)
